

plasma membrane bounded cell projection cytoplasm

cytoplasmic region
ciliary part
cell-cell junction
receptor complex
membrane raft
membrane microdomain
membrane region
cell cortex
cell projection membrane
ciliary plasm
axoneme
myelin sheath
apical junction complex
sarcolemma
ciliary basal body
tight junction
bicellular tight junction
plasma membrane raft
caveola
presynaptic active zone
intercalated disc
ciliary transition zone
MHC protein complex
inflammasome complex
